

## **Ground-breaking day, October 23, 2012**

### **Gucheng Integrated Primary School**

After friendly discussions, the *Biyang Education Bureau* and the *Chongren Foundation* signed an agreement, on October 16, 2013, to finance the construction of a new primary school complex for Gucheng and the surrounding villages. The founding members of CRCI Capital, namely Dr. Mark Qiu, George Li and Shi Hong, offered to donate 50% of the Foundation's total contribution of RMB 2,835 to the project from their own means. This allowed to start the construction works without delay, and hold a ground-breaking ceremony on October 23, under the patronage of *Mr. Wei Liucheng*, former Party Secretary of Hainan.

The simple, but emotional and well organized ceremony was attended by the top officials of the Party and the Government from the various levels, who all played a decisive role in working out a meaningful, cost efficient project for a new 3-storey school complex.

Mr. Wei Liucheng, former Party Secretary of Hainan, and presently Vice-chairman of the NPC's Committee for Finance and Economy, honored the ceremony by his presence.

Gucheng's villagers visibly enjoyed meeting their famous citizen.
