Annual financial support 2014 to the *Friends of Qinghai*

The Chongren Foundation supports in 2014 several Nomad Moving Schools on the highlands of Qinghai, in the district of Zeku, at an average altitude of 3600 to 3900 m above sea.

Ningxiu WALEMA moving nomad school

52 km west of Zeku county. Population of 3100 people. 9 teaching sites for altogether 67 students in the pre-school education age. Budget of CHF 29´500 is higher than for other moving nomad schools because of the enormous size of the school and the need to provide each student with an e-book. First visit of the area in November 2013 by Chongren´s , delegate, a second one in early April 2014..

Heri moving nomad school

70 km north west of Zeku city, in a very sparsely populated area with a total of 7300 people only for an area of 50 km to 30 km. This explains why there are 10 teaching sites for altogether 61 students in the pre-school age. The distribution of one e-book per family is expected to effectively help the young students to make solid progress in learning basic Tibetan, Chinese and a few words of English as well as basic knowledge in geography, history and arithmetic.
